

**Amendments to the Drawings:**

Figure 3: Replace the current version of Fig. 1 with the version shown on the attached Replacement Sheet. The current version of Fig. 1 was amended as follows:

1. In the box numbered “105,” a new box numbered “111” and labeled as “NETWORK CONFIGURATION SETTINGS” was added, and a lead line extending between the boxes “110” and “111” was added.
2. In the box numbered “115,” a new box numbered “121” and labeled as “PROCESSOR” was added.
3. In the box numbered “115,” a new box numbered “136” and labeled as “STORAGE” was added, and a lead line extending between the boxes “136” and “135” was added.

Attachment: Replacement Sheet of drawing for Fig. 1.
